Children will remember an important day only if they are told what the occasion signifies. So, a celebration makes them aware of the world in a more fun way. Celebrating events and festivals in our school has become an integral part of learning and building a strong cultural belief.. Some of the days celebrated in our school are **Independence Day, National sports day Janmashtami, Ganesh Chaturthi, Dussehra**. Other famous festivals of India include **Diwali** and **kannada Rajoshava** when students from different regions experience this joy of festivals, it truly enhances the Indian culture.
